

OXFORD PARK INCOME FUND, INC.
(THE “CORPORATION”)

AUDIT COMMITTEE CHARTER

Purpose

The Audit Committee is appointed by the Board of Directors of the Corporation, pursuant to authority delegated to it by the Board, to monitor (1) the integrity of the financial statements of the Corporation, (2) the independent auditor’s qualifications and independence, (3) the performance of the Corporation’s internal audit function and independent auditors, and (4) the compliance by the Corporation with legal and regulatory requirements.

The Audit Committee shall prepare the report required by the Securities and Exchange Commission (the “Commission”) to be included in the Corporation’s annual proxy statement to the extent applicable.

Committee Membership and Function

The Audit Committee of the Corporation shall at all times have at least three members and be composed solely of Independent Board Members. “Independent Board Members” are Directors who (i) are not “interested persons” (as defined in the Investment Company Act of 1940 (the “1940 Act”)) of the Corporation and (ii) meet the independence requirements of Section 10A(m)(3) of the Securities Exchange Act of 1934 (the “Exchange Act”) and the rules and regulations of the Commission, including the requirement that they not accept directly or indirectly any consulting, advisory, or other compensation from the Corporation (other than Directors’ fees received in his or her capacity as a member of the Audit Committee, Board of Directors or another committee of the Board). The Board of Directors shall designate the members of the Audit Committee. The Board of Directors shall have the power at any time to change the membership of the Audit Committee, to fill all vacancies, and to designate alternate members to replace any absent or disqualified members, so long as the Audit Committee shall at all times have at least three members and be composed solely of Independent Board Members. The members of the Audit Committee shall select its Chairman.

The members of the Audit Committee shall meet the requirements of all applicable laws, rules or regulations, in each case, when, as and to the extent applicable to the Corporation.

In addition, at least one (1) member of the Audit Committee shall have accounting or related financial management experience, as the Board of Directors interprets such qualification in its business judgment. Any member of the Audit Committee who satisfies the definition of an “audit committee financial expert” as defined in Item 407(d)(5)(ii) of Regulation S-K will be presumed to have accounting or related financial management expertise. If a vacancy exists due to the retirement or resignation of a member of the Audit Committee who has been designated as an “audit committee financial expert,” the Board will, as a matter of best practices, endeavor to fill such vacancy with another “audit committee financial expert,” as soon as reasonably practicable thereafter. The designation of a member of the Audit Committee as an “audit committee financial

expert” will not increase the duties, obligations or liability of the designee as compared to the duties, obligations and liability imposed on the designee as a member of the Audit Committee and of the Board of Directors.

All members of the Audit Committee shall be (1) “financially literate,” as such qualification is interpreted by the Board of Directors in its business judgment and (2) have a basic understanding of finance and accounting practices and shall be able to read and understand financial statements.

Committee Authority and Responsibilities

The function of the Audit Committee is oversight. Management¹ is primarily responsible for maintaining appropriate systems for accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent accountants are primarily responsible for planning and carrying out a proper audit of the Corporation’s annual financial statements in accordance with generally accepted accounting standards. The independent accountants are accountable to the Board of Directors and the Audit Committee, as representatives of the Corporation’s shareholders. The Board of Directors and the Audit Committee have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the Corporation’s independent accountants (subject, if applicable, to shareholder ratification.)

In fulfilling their responsibilities thereunder, it is recognized that members of the Audit Committee are not full-time employees of the Corporation or management and are not, and do not represent themselves to be, accountants or auditors by profession. As such, it is not the duty or the responsibility of the Audit Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures, to determine that the financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or to set auditor independence standards. Each member of the Audit Committee shall be entitled to rely on (a) the integrity of those persons within and outside the Corporation and management from which it receives information; (b) the accuracy of the financial and other information provided to the Audit Committee absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors); and (c) statements made by the officers and employees of the Corporation, its investment adviser or other third parties as to any information technology, internal audit and other non-audit services provided by the independent accountants to the Corporation. In carrying out its responsibilities, the Audit Committee’s policies and procedures shall be adapted, as appropriate, to best react to a changing environment.

The Audit Committee shall be given the resources and authority appropriate to discharge its responsibilities, including the authority to retain experts, independent counsel or consultants at the

expense of the Corporation. The Audit Committee shall also be given the resources, as determined by the Audit Committee, for payment of (i) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation and (ii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

The Audit Committee shall review this Charter at least once annually and recommend any changes to this Charter that it deems appropriate to the full Board of Directors. The Audit Committee shall have such further responsibilities as are given to it from time to time by the Board of Directors. The Audit Committee shall consult, on an ongoing basis, with management, the independent accountants and counsel as to legal or regulatory developments affecting its responsibilities, as well as relevant tax, accounting and industry developments.

Nothing in this Charter shall be interpreted as diminishing or derogating from the responsibilities of the Board of Directors.

Pursuant to authority granted to it by the Board of Directors, the responsibilities of the Audit Committee are:
